

# Ye Bunyipe, Part 2

Now that you have built a balloon boat, it is time to take on something a little more challenging.

## Materials

Milk carton

Two paddlepop sticks

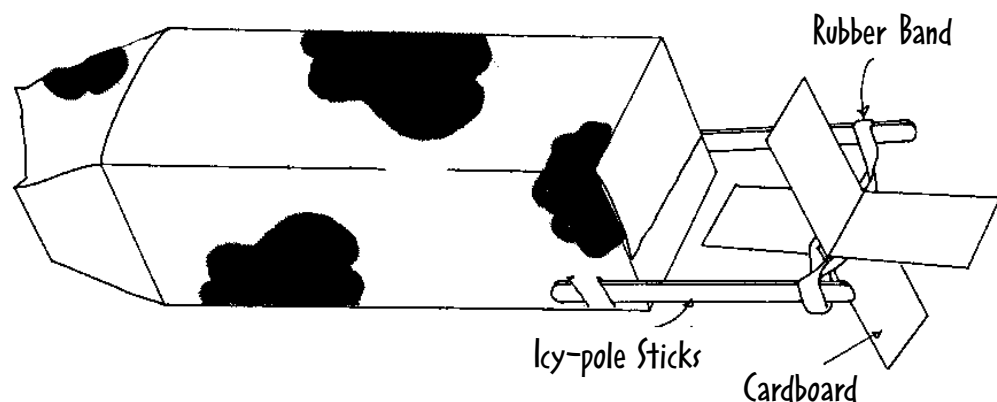

A thick elastic band

Scissors

Sticky tape

Cardboard

Milk Carton Paddle Boat

1. Tape the top of the milk carton closed
2. Make two slits on either side of the milk carton to hold the paddlepop sticks
3. Slide paddlepop sticks into the slits
4. Place elastic band around the end of the paddlepop sticks
5. Fold cardboard

Turns of paddle	Distance travelled	Time taken
