

# Grow your own Bunyip

Let's make a bunyip.

1. Scoop out an eggshell
2. Colour-in the shell like a bunyip's face
3. Put wet cotton wool in the shell
4. Sprinkle seeds on the wool and watch it grow

How seeds change into plants.

Seed

Plant at one week

Plant at two weeks

Plant at three weeks

Plant at four weeks

Plant at five weeks

**Bunyips**
