pation like Mr. Dawes. They did not want a mere writing clerk for this office, but some one whose name was known and established in the community, and he felt it was fortunate that this institution had selected such a gentleman as Mr. Dawes. He thought that the £21 which had been paid to Mr. Dawes was a mere trifle when compared with the value of the society; and he should therefore move that the salary of the Secretary for the year from the 27th of last month should be the same as it was the year before, £50 per annum, irrespective of fees arising out of this office.

Mr. George Rees seconded the motion, which was carried.

The Chairman stated that the business of the meeting having been completed, he would now return to the point at which the meeting had remained, that the Chamber of Commerce had not yet been largely engaged in commercial matters of the colony, and that the establishment of an institution like this was a vote of thanks having been given to the Chairman.

WATER POLICE OFFICER.—Saturavay.

Before the Water Police Magistrate.

Inquest.—Captain Redmond, master of the brig Julia Percy, appeared to answer an information filed against him by Captain Strickland, commanding the ship Scotia, for having, on the 19th December, hired and engaged a seaman, Robert Davies, who did not produce to him any certificate of discharge, or other papers, or any certificate of the registry of the sea. The defend- ant pleaded not guilty.

Mr. Joseph Clark, who conducted the prosecution, said, that the information was exhibited under the 4th section of the Water Police Act, 4 Vict. No. 17, which enactment that masters of vessels in Port Jackson, or other ports, shall not, under a penalty of £50, and not less than £20, hire any seaman, who shall not be able to produce a certificate of discharge, and that such certificate is not produced, he did not produce to him any certificate of discharge, or other papers, or any certificate of the registry of the sea. The defendant pleaded not guilty.

Captain Lewis, who conducted the prosecution, said, that the evidence was exhibited under the 4th section of the Water Police Act, 4 Vict. No. 17, which enactment that masters of vessels in Port Jackson, or other ports, shall not, under a penalty of £50, and not less than £20, hire any seaman, who shall not be able to produce a certificate of discharge, and that such certificate is not produced, he did not produce to him any certificate of discharge, or other papers, or any certificate of the registry of the sea. The defendant pleaded not guilty.

Mr. Johnson, who conducted the prosecution, said, that the evidence was exhibited under the 4th section of the Water Police Act, 4 Vict. No. 17, which enactment that masters of vessels in Port Jackson, or other ports, shall not, under a penalty of £50, and not less than £20, hire any seaman, who shall not be able to produce a certificate of discharge, and that such certificate is not produced, he did not produce to him any certificate of discharge, or other papers, or any certificate of the registry of the sea. The defendant pleaded not guilty.

Mr. John- son, who conducted the prosecution, said, that the evidence was exhibited under the 4th section of the Water Police Act, 4 Vict. No. 17, which enactment that masters of vessels in Port Jackson, or other ports, shall not, under a penalty of £50, and not less than £20, hire any seaman, who shall not be able to produce a certificate of discharge, and that such certificate is not produced, he did not produce to him any certificate of discharge, or other papers, or any certificate of the registry of the sea. The defendant pleaded not guilty.

schooner, 50 tons, from Cobourg; 245,

schooner, 144 tons, Gourlay, for Hobart Town.

At a small box having made its appearance

on board the ship Eagle, she has been placed

in quarantine. The ship at the wharf for a
day and a half, with directions for discharging

cargo. Hobson's Bay has exhi-

bited a most unhealthy appearance. The full

tone post, more especially the last week, nearly

fifty sall of vessels having arrived from various

ports. Nothing, however, has been so much

visited the Bay for a short period would be

disheartened at the appearance of the country.

As at this time there are upwards of forty square

rigged vessels, besides schooners, lying there, a

greater number than was ever known before;

and should the present state of things con-

inue, it will not be long before the ships

will require mooring in tiers, both for safety

and convenience. The following vessels were

laid up in Adelaide for this port, to leave with

discharger—Sea Bird, ship, Hein, Maid of

Auckland, John all, and Selina, barques, Anna-

Lay Robilliard, schooner, 56 tons, Coles,
