## FREEDOM OF INFORMATION STATEMENT

This year the Library did not receive any requests under the *Freedom of Information Act 1982* (Cwlth).

### FREEDOM OF INFORMATION PROCEDURES AND INITIAL CONTACTS

A request for access to documents in the possession of the Library is subject to the regulatory application fee of \$30.

Applicants seeking access under the Freedom of Information (FOI) Act should forward the \$30 application fee with a written request, providing an address to which responses may be sent, to:

The FOI Coordinator  
Accountability and Reform Branch  
National Library of Australia  
CANBERRA ACT 2600

The FOI Coordinator is available between 9 am and 5 pm Monday to Friday and can be contacted on (02) 6262 1798 or by fax on (02) 6273 4535.

If an applicant is dissatisfied with a decision made under the FOI Act they may apply to the Director-General seeking an internal review. A request to review a decision is subject to a regulatory application fee of \$40.

If access is approved, the Library will provide such access on receipt of payment of any charges that apply.

### CATEGORIES OF DOCUMENTS HELD

Library documents available for public access include policy statements, catalogues and other indexes associated with the Library's collections of books and materials. Documents available for purchase by the public include a wide range of technical and general publications produced by the Library. A range of descriptive brochures on the Library's services is made available to the public free of charge. Other documents held by the Library include minutes, reports and submissions associated with internal and external committees, general correspondence relating to the activities and functions of the organisation and administrative documents such as management, staffing, finance and personnel records. Some of the above publications are available electronically from the Library's web site at [www.nla.gov.au](http://www.nla.gov.au)

### ACCESS TO ARCHIVAL RECORDS

Under Section 40 of the *Archives Act 1983* (Cwlth), members of the public may apply to the National Archives of Australia for access to records in the current open period; that is, records which are more than 30 years old. People seeking access to the archival records of the Library should make their requests in the first instance directly to the National Archives of Australia.

## STAFF TRAINING

During the year a Training Strategy Committee was established to identify strategic training required to support the delivery of initiatives under the Library's Balanced Scorecard. As a result of this initiative 254 staff attended Digital Awareness training, 379 attended Balanced Scorecard presentations and 143 staff completed IT Desktop training. Preliminary work was also completed for training on project management including business case development.

The Library also continued its use of Personal Development Plans (PDP) for staff as the primary mechanism for determining general staff training needs. During the year, 828 PDP training requests were received with 100 per cent of applicants offered training.

The combined outlay on training and development was \$159 600.
