

## Paradise Parrot material in museums collections

In the absence of full information on the specimen labels or catalogues, the information in the square brackets is based on the literature or on the assessments of Clem Fisher regarding which specimens might be those collected by John Gilbert. Sexes/ages are as supplied and are not necessarily correct.

Museum	Collector	Sex/Age	Locality	Date	Source Collection/ Notes
British Museum of Natural History 1881.12.7	J.T. Cockerell	Adult male	Queensland		Godman Collection
British Museum of Natural History 1881.12.7.22	J.T. Cockerell	Immature female [?]	Eastern Australia		
British Museum of Natural History 1858.12.2.6		Hybrid male <i>P. haematonotus</i> x <i>P. pulcherrimus</i> ?	Australia		Ex Gould Collection
British Museum of Natural History 1924.12.18.110	J.J. Lister	Hybrid male <i>P. haematonotus</i> x <i>P. pulcherrimus</i>	Mt Hutton, West Grove, Queensland	3 July 1890	
British Museum of Natural History 1847.8.14.67		Female	Australia		Sir Thomas Mitchell
