

AUSTRALIAN EPHEMERA COLLECTION FINDING AID

JOHN MCCALLUM, AO, CBE (1918 – 2010) AND GOOGIE WITHERS, AO, CBE (1917-2011)

PERFORMING ARTS PROGRAMS AND EPHEMERA (PROMPT)

PRINTED AUSTRALIANA

JANUARY 2015

This finding aid lists programs and ephemera which document all aspects of John McCallum and Googie Withers' stage acting careers in Australia and overseas. The majority of the programs held are for productions in which they co-starred, and for this reason a single finding aid covering both of their careers, in performances both together and independently has been compiled. Material on their film and television screen careers, and McCallum's directing and theatre management career are not generally collected by the Library.

CONTENT

Printed materials in the PROMPT collection include programs and printed ephemera such as brochures, leaflets, tickets, etc. Theatre programs are taken as the prime documentary evidence of a performance.

The list is based on imperfect holdings, and is updated as gaps in the Library's holdings are filled. Unless otherwise stated, all entries are based on published programs in the PROMPT collection.

ACCESS

The John McCallum and Googie Withers PROMPT files may be accessed through the Library's Special Collections Reading Room by eCallslip request: <http://nla.gov.au/nla.cat-vn3529350>

ARRANGEMENT

Programs in the National Library' PROMPT collection are arranged chronologically under three main headings:

- [Co-starring Performances](#) of McCallum and Withers, 1954- 2002
- [Performances by John McCallum](#), (independent of Withers), 1930 – 2000
- [Performances by Googie Withers](#) (independent of McCallum) 1940-1988

Under each of these headings programmes are listed, chronologically by performance as follows:

Date (day and month); City

Name of production or performer

Headline performers etc.

Where performances were staged outside Australia a national flag indicates the country. Where no flag appears, the performance was in Australia.

An index to staged productions and appearances by star performers is provided at the end of the document. This document is also keyword searchable.
